

Cumberland / Klondike Roundabout Opening and Phase Three closure will take place on or after June 30, 2020

#

The Cumberland/Klondike Roundabout will be opening on or after June 30, 2020. Immediately following this opening the contractor will begin Phase 3 traffic restrictions. These restrictions include the closure of Klondike between Cumberland and US 52 to thru traffic. The closure will occur just north of Venetian Blind and just south of Klondike School. Access to businesses and residences south of the closure will be via Cumberland while traffic north of the closure will enter and exit from US 52.

View Now shows the Phase 3 Detour Route along with the other Phases.
