### ***FAIRGROUNDS***

#### **Memorandum of Understanding for Young Men's Christian Association (YMCA)**

YMCA Director Paul Cramer said about nine months ago, Mayor Roswarski and Sheriff Brown asked the YMCA (Y) to put together a group to give kids a place to play basketball due to the Columbia Park basketball goals being taken down. He feels it is a great opportunity to work with a number of agencies in the community to provide and fulfill a need for kids to play basketball in a safe environment. With the assistance of Attorney Masson, a Memorandum of Understanding (MOU) has been prepared. The MOU fills four needs: 1) helping hundreds of kids every year 2) promotes the goal of making it a community centered Fairgrounds 3) involves collaborative partners and 4) the funding, \$61,000, is all fund-raised and given in kind gifts. The members on the committee that are involved are the Chairman Stephanie Smith with the YMCA; Barry Richards from the Boys and Girls Club; Kevin Maxwell with Sunnyside School; Brandon Hawkins for Tecumseh; Jefferson Athletic Director Peyton Stovall; Brian Cardinal from the Purdue Alumni; Mayor Roswarski; and City Fire Chief Richard Doyle.

Attorney Masson said by the County accepting the donation of the Y, it allows the Y access to the Fairgrounds to construct the basketball courts. The exhibit attached to the MOU has the general look. The MOU requires the County to approve plans for construction. The Y will take care of day-to-day maintenance, allowing them first access to the courts in terms of scheduling programs. The County will take care of the grounds surrounding the courts. Commissioner Byers said the courts will be located on 18<sup>th</sup> Street, next to the Fire Station giving the Firemen use of the courts and also provide some supervision. One stipulation in the MOU is that the courts will not be used during the 4-H Fair. If approval and funding goes as hoped, they plan to have it built for use in October. Commissioner Byers said the courts were presented to the Fairgrounds Improvement Committee and they agreed to the plan.

- Commissioner Murtaugh moved to approve the MOU with the YMCA for the construction of a basketball court to be built at the Fairgrounds as presented, second by Commissioner Byers; motion carried.
