BOND # _____

UTILITY MAINTENANCE BOND

KNOW ALL MEN BY THESE PRESENTS, that we _____
As principal (hereinafter referred to as Principal), and _____
_____ as Surety, are held and firmly bound into the Board of Commissioners of the County of Tippecanoe in the State of Indiana, jointly and severely, in the sum of _____ (\$ _____) in the aggregate, for the payment of which we firmly bind ourselves, our heirs, executors, administrators and assigns.

WHEREAS, the Principal is a corporation and is a regulated public utility subject to the rules of the Public Service Commission of Indiana; and

WHEREAS, in the operation of its lines in the State of Indiana, particularly in Tippecanoe County, it is necessary from time to time, for the utility to make cuts across the highways of Tippecanoe County and to make cuts in other portions of the right-of-way for the installation of additional lines and so forth, to extend its services and for the purposes of repairing existing lines and relocating the same.

NOW, THEREFORE, the condition of this obligation is such that, if the Principal shall faithfully perform the work to be done in each such installation above referred to and shall fully indemnify and save harmless the Board of Commissioners of the County of Tippecanoe in the State of Indiana from all costs and damage which the Board may suffer by reason of the failure of Principal to do so and shall fully reimburse and repay the Board of Commissioners for all outlays and expenses which the Board of Commissioners may incur in making good any such default and shall pay all persons who have contracts directly with the Principal for labor and materials, and the Principal warrants that each such installation shall be done in a workmanlike manner and that all the materials used in the construction and installation shall be of good quality and construction and that each such project shall be constructed in accordance with the standards, specifications, and requirements of the Tippecanoe County Highway Department permit and the sub-division control ordinance applicable to said plat, and if Principal, at its own expense for a period of three (3) years after each such improvement and installation are accepted for public maintenance by the Board of Commissioners of the County of Tippecanoe in the State of Indiana, shall make all repairs thereto which may become necessary by reason of improper workmanship or materials; with such maintenance, however, not to include any damage to said improvements and installations resulting from forces or circumstances beyond the control of said Principal or occasioned by inadequacy of standards, specifications and requirements of said Tippecanoe County Highway Permit and Sub-Division Control Ordinance; then this obligation shall be null and void, otherwise it shall remain in full force and effect.

President

**Constituting the Board of Commissioners
of the County of Tippecanoe, in the
State of Indiana**

ATTEST:

Auditor of Tippecanoe County

APPLICATION FOR PERMIT TO CUT INTO TIPPECANOE COUNTY RIGHT-OF-WAY

Application is hereby made this _____ day of _____, 20____ by _____

_____ for a permit to cut into Tippecanoe County Right-of-Way at the following described location : _____

Lot # _____ Section: _____ Township: _____

for the purpose of _____

W.O. No. or S.O. No. _____

Type of Surface where opening is to be made _____

Opening will be _____ feet long in right-of-way and _____ feet long in road surface by _____ feet wide and _____ feet deep.

RESPONSIBILITY: If the inside face of trench is within three (3) feet of the edge of the road surface, I hereby agree to backfill the trench of the said opening with bank run gravel or crushed stone, which will be thoroughly compacted by tamping in layers not to exceed four (4) inches in depth to within twelve (12) inches of the present surface and to dispose of all surplus material and also to replace the remaining twelve (12) inches within the trench opening as per existing conditions prior to making trench, except that portion of the trench which is in the traveled road, the remaining twelve (12) inches will be backfilled with coarse gravel or crushed stone, maintained in a smooth and uniform condition for a period of not less than four (4) weeks after traffic is again permitted to pass over the filled trench, until such time the surface shall be replaced to existing conditions unless otherwise provided by special provisions.

For any cut other than the aforementioned conditions, I hereby agree to backfill the trench of said cut by thoroughly tamping the backfilling in layers not exceeding four (4) inches deep, unless provided by special provisions.

I FURTHER AGREE:

To furnish a drawing showing size, type, controlling dimensions, etc., of the proposed improvement relative to existing pavement, existing structures, existing right-of-way, and existing utilities;

To erect and maintain all necessary barricades, detour signs and warning lights, as set out in Section D of the Indiana Manual on Uniform Traffic Control Devices, to safely direct traffic over and around that part of the road where the above described work is to be done, so long as the work in any way interferes with traffic;

To move or remove any structures installed under this permit, should future traffic conditions or road improvements necessitate and when requested to do so by the Tippecanoe County Highway Engineer;

To assume all responsibility for any injury or damage to persons or property resulting directly, or indirectly, from the work contemplated in this application;

To notify the Tippecanoe County Highway Engineer in advance of the time of beginning the work done under this permit;

To restore the County property cut into or damaged, including said road and lateral cuts by applicant to its condition immediately prior to the applicant's damage or cut to the satisfaction of the Tippecanoe County Commissioners, Tippecanoe County Highway Supervisor, and the Tippecanoe County Highway Engineer.

In accordance with the Schedule of Fees, per Ordinance No. 2002-40-CM, a check in the amount of \$_____ (is attached) (will be forwarded upon receipt of invoice). If, in completing the work, a wider cut is made in the surface than that specified on this application, any additional amount due will be remitted to the Tippecanoe County Highway Department upon completion of the project.

A Maintenance Bond, which is required on each permit, based upon one-hundred percent (100%) of the estimated cost of labor and materials needed to restore the County property being cut into or damaged by applicant to it's condition immediately prior to applicant's opening or damage, and which is to remain in effect for a period of three (3) years from the date of completion of said work (is attached) (is on file with the Tippecanoe County Highway Department). Standard Bond Form # 76-102 shall be used and Bond shall be made payable to the Board of Commissioners of Tippecanoe County.
