

**ORDINANCE 96-61-CL**

**AN ORDINANCE** authorizing the County of Tippecanoe, Indiana, to make temporary loans to meet current running expenses for the use of the Family and Children Services Fund of the Issuer, in anticipation of and not in excess of current taxes levied in the year 1996, and collectable in the year 1997; authorizing the issuance of temporary loan tax anticipation warrants to the Indiana Bond Bank; and appropriating and pledging the taxes to be received in such funds to the punctual payment of such warrants including the interest thereon.

**WHEREAS**, the County Council (the "Fiscal Body") of the County of Tippecanoe, Indiana (the "Issuer") has determined that there will be an insufficient amount of money in the Family and Children Services Fund of the Issuer (the "Funds") to meet the current running expenses of the Issuer payable from such Funds during the fiscal year ending on the last day of December 1997, and prior to the respective June and December settlements and distribution of taxes levied for such Funds; and

**WHEREAS**, the Fiscal Body now finds that an emergency exists for the borrowing of money to pay current running expenses and that temporary loans for the Funds for such purposes should be made and that temporary loan tax anticipation warrants evidencing such loans should be issued and sold, subject to the terms and conditions set forth herein and in accordance with the provisions of Indiana law; and

**WHEREAS**, the Fiscal Body has determined to participate in the 1997 Advance Funding Program (the "Program") established by the Indiana Bond Bank (the "Bond Bank") whereby the Bond Bank will purchase the temporary loan tax anticipation warrants and/or temporary interim warrants of the Issuer; and

**WHEREAS**, in order to participate in the Program, the Fiscal Body may be required to issue and sell its temporary loan tax anticipation warrants to the Bond Bank prior to the final certification of the annual budget levy and tax rates for such Funds for fiscal year 1997 by the Indiana State Board of Tax Commissioners; and

**WHEREAS**, the levy proposed for collection for the Funds in 1997 is estimated to produce in the aggregate, with respect to such Funds, an amount equal to or in excess of the principal of and interest on the temporary loans for such Funds; and

**WHEREAS**, a necessity exists for the making of temporary loans evidenced by temporary loan tax anticipation warrants for the Funds in anticipation of the receipt of current revenues for such Funds levied for the year 1996 and in the course of collection in 1997 and the Fiscal Body desires to authorize the making of temporary loans to procure the amounts necessary, in combination with other available amounts, to meet such current running expenses for such Funds and to pay necessary costs incurred in connection with the issuance and sale of temporary loan tax anticipation warrants to evidence such temporary loans; and

**WHEREAS**, the Issuer has not previously issued temporary loan tax anticipation warrants payable from 1997 tax revenues with respect to the Funds; and

**WHEREAS**, the Fiscal Body seeks to authorize the Issuance of such temporary loan tax anticipation warrants and/or temporary interim warrants with respect to the Funds and the sale of such warrants to the Bond Bank pursuant to the provisions of Indiana Code 5-1.5, subject to and dependent upon the terms and conditions hereinafter set forth.

**NOW, THEREFORE, BE IT ORDAINED BY THE COUNTY COUNCIL OF THE COUNTY OF TIPPECANOE, INDIANA AS FOLLOWS:**

Section 1. It is hereby found and declared that an emergency exists for the borrowing of money and therefore the Issuer is hereby authorized to make temporary loans to meet current running expenses pursuant to the provisions of Indiana Code 36-2-6-18 for the use and benefit of each of the Funds of the Issuer in anticipation of estimated current tax revenues levied for the year 1996 and in the course of collection for such Funds in 1997, which loans shall be evidenced by temporary loan tax anticipation warrants of the Issuer (the "Warrants"). A separate Warrant or Warrants shall be issued for each maturity date and all Warrants shall be dated as of the date or

delivery thereof to the Bond Bank. The Issuer is authorized to issue a Warrant maturing and payable on June 30, 1997, and December 31, 1997, in amounts not to exceed the following for the respective identified funds:

Family and Children Services Funds: \$2,489,755 maturing on June 30, 1997 and \$2,489,755 maturing on December 31, 1997.

The Warrants shall bear interest prior to maturity at a rate or rates per annum not to exceed a maximum of 6.5%. The exact rate or rates are to be determined under the terms of a warrant purchase agreement between the Bond Bank and the Issuer to be entered into prior to the sale of the Warrants to the Bond Bank (together with any supplements thereto, referred to the "Warrant Purchase Agreement"), in accordance with the provisions of Indiana Code 5-1.5. Interest shall be calculated on the basis of a 360-day year comprised of twelve 30-day months. The Warrants shall be deemed to be issued in denominations of One Dollar (\$1) or integral multiples thereof not exceeding the aggregate principal amount of the Warrants.

The Issuer is authorized to make payments of principal and interest on the Warrants by paying the amount due from funds that are available for immediate transfer or investment on or before 12:00 noon (Indianapolis time) on the due date to Bank One, Indianapolis, NA, the Bond Bank's Trustee (the "Trustee") under the Note Indenture dated as of February 4, 1997. Subject to Section 11 hereof, the Warrants may not be prepaid prior to the due date without the express written consent of the Bond Bank. In the event that the principal of and interest on this Warrant are not paid in full to the Bond Bank at the principal corporate trust office of the Trustee in immediately available funds on or before 12:00 noon (Indianapolis time) on the Due Date, the Borrower shall pay to the Bond Bank its allocable portion of all fees and expenses of the Bond Bank (including a charge in an amount equal to the Reinvestment Rate (as defined in the Agreement) that would accrue on the amount due and owing (the unpaid principal and accrued interest to such date) from the Due Date until paid) resulting therefrom. In addition, the Issuer shall be responsible for payment to the Bond Bank of its allocable portion of all fees and expenses attributable to a request for payment under the Credit Facility Agreement (as defined in the Warrant Purchase Agreement) resulting from a failure by the Issuer to pay in full the principal of and interest on the Warrants on the due date.

Section 2. With respect to each Fund and each maturity, the officers of the Issuer are authorized to deliver a principal amount of the Warrants up to or less than the maximum amount established for any such Fund and maturity date in Section 1 hereof in order to comply with all applicable laws and any requirements of the Bond Bank. The Warrants will be delivered on or about February 4, 1997, or otherwise as appropriate and in accordance with the terms of the Warrant Purchase Agreement. In the event that the Issuer anticipates incurring cash flow deficits after the issuance and sale of the Warrants to the Bond Bank, the Issuer is hereby authorized to issue and sell additional warrants to the Bond Bank as appropriate and in accordance with the terms of the Warrant Purchase Agreement (as supplemented from time to time) and consistent with the two preceding sentences.

In the event that the Issuer anticipates incurring cash flow deficits prior to the issuance and sale of the Warrants to the Bond Bank, the Issuer is hereby authorized to issue and sell temporary interim warrants to the Bond Bank. The issuance and sale of the temporary interim warrants shall be on substantially the same terms as the issuance and sale of the Warrants to the Bond Bank, all as set forth in the Warrant Purchase Agreement. In the event that temporary interim warrants are issued, all or a portion of the proceeds of the Warrants may be used to repay the temporary interim warrants. Provisions of this Ordinance relating to the issuance of Warrants shall also relate to the issuance of temporary interim warrants to the extent applicable.

Section 3. The principal of and interest on the Warrants shall be payable from tax revenues to be received in the respective Fund upon which such Warrant is issued. There is hereby appropriated and pledged to the payment of the Warrants issued with respect to each Fund, including interest and all necessary costs incurred in connection with the issuance and sale of the Warrants, a sufficient amount of the taxes, levied for 1996, and payable in 1997, for such Fund and in anticipation of which the Warrants have been issued, for the punctual payment of the principal of and interest on the Warrants evidencing such temporary loans, together with such issuance costs, if any.

Section 4. The Warrants issued hereunder with respect to the Fund shall be executed in the name of the Issuer by the manual or facsimile signature of the Board of County Commissioners of the County of Tippecanoe, Indiana, and attested by the Auditor of the County of Tippecanoe,

Indiana, or such other officers of the Issuer as may be permitted by law, provided at least one or such signatures is manually affixed. All Warrants shall be payable in lawful money of the United States of America at the principal corporate trust office of the Trustee. Further, the Warrants shall not be delivered and no payment shall be made therefor prior to the first day of January 1997.

Section 5. The Warrants with respect to each Fund shall be issued in substantially the following form (with all blanks, changes, additions and deletions, including the appropriate amounts, dates and other information to be properly completed prior to the execution and delivery thereof, as conclusively evidenced by the signatures of the officers of the Issuer affixed thereon):
