See Appendix A

HIGHWAY – Opal Kuhl

Ordinance 2011-25-CM – Petition to Vacate a Street in the Town of Granville; 2nd Reading

Executive Director Opal Kuhl explained the road was never developed, the proper advertisements and notices have been completed, and the first reading took place on October 17, 2011. Attorney David Luhman read the ordinance into the record, identifying the public way (Sycamore Street) as lying between lots five (5), six (6), thirteen (13) and fourteen (14).

- Commissioner Knochel moved to approve Ordinance 2011-25-CM vacating a public street in the Town of Granville on second reading, second by Commissioner Murtaugh.

Auditor Jennifer Weston called the roll:

Knochel	Aye
Murtaugh	Aye

Ordinance 2011-25-CM passed 2-0 on second and final reading.

Driveway Permit Guidelines and Standards

Director Kuhl noted the only modification to the current standards is that the allowable residential width for a driveway from the back of the sidewalk to the street is increasing from 20 to 24 feet. This change will allow residences with a three car garage to have easier access to that 3rd stall. It will also bring the County in line with Indiana Department of Transportation (INDOT) standards, which also allows 24 feet.

- Commissioner Knochel moved to approve the Guidelines and Standards as presented, second by Commissioner Murtaugh; motion passed.

Contract Modification #5 – Jack Isom Construction

Director Kuhl said this modification of the contract with Jack Isom Construction for the Lindberg bridge is \$6,264, bringing the total amount to \$4,285,931.70. Due to the nature of the bridge and surrounding area, epoxy paint was used instead of the regular type of paint.

- Commissioner Knochel moved to approve the Contract Modification as presented, second by Commissioner Murtaugh; motion passed.

3 Year Maintenance Bond – ATC Associates

Director Kuhl said this bond from ATC Associates, in the amount of \$5,000, is for work on the Swisher Road intersection project.

- Commissioner Knochel moved to approve the Maintenance Bond from ATC Associates for \$5,000, second by Commissioner Murtaugh; motion passed.

3 Year Maintenance bond – F & K Construction

Director Kuhl said this bond from F & K Construction, also for \$5,000, is for work in all county right-of-ways.

- Commissioner Knochel moved to approve the Maintenance Bond from F & K Construction for work in county right-of-ways in the amount of \$5,000, second by Commissioner Murtaugh; motion passed.

Director Kuhl gave a brief update of current and recently completed projects on which the Highway Department has been working. The Lindberg bridge officially opened October 31st but there is still minor work to finish before it is completed; the Lilly bridge was completed several weeks ago; Hog Point bridge is open to traffic while minor finishing occurs; South River Road, which was a \$2,000,000 project, was completed earlier this summer; Tyler Road is 80-90% finished with completion likely to be the end of this month; and McCarty Lane was recently begun and will carry into next year

(unquote)

Richard Ketterer – 1913 Tanglewood Drive, Lafayette: Petitioner Ketterer is requesting this rezone for one of the last two remaining residentially zoned properties along the fast growing Creasy Lane to allow for consistent zoning with area properties.

Auditor Jennifer Weston called the roll:

Knochel	Aye
Murtaugh	Aye

Ordinance 2011-29-CM passed 2-0.

BOARD OF ELECTIONS & REGISTRATION – Sallie Fahey

Area Plan Executive Director Sallie Fahey presented an Order Adopting Precincts for approval, explaining after each decennial census the precinct lines must be adjusted so they all have, within a range, the same number of voters, and fall within census block boundaries. Precincts with too many voters were either combined with an adjacent precinct and split, or the original precinct was split to remain within the original borders. Also taken into consideration was the potential of future growth and corporate city limits. Approving the precincts will her staff to move forward with redistricting for various local, county, and school offices, which must be completed and adopted by January 12, 2012.

- Commissioner Knochel moved to approve the Order Adopting Precincts, second by Commissioner Murtaugh; motion passed.

UNFINISHED / NEW BUSINESS

Commissioner Murtaugh announced the discussion of the Wildcat Creek Solid Waste District (WCSWD) originally set for this meeting has been postponed to November 21st.

REPORTS ON FILE

There were none.

PUBLIC COMMENT

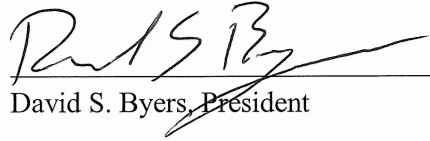

Karen Griggs – 100 Thronbush Drive, West Lafayette: Ms. Griggs spoke in overall support of the WCSWD and asked the Commissioners to redesign the building to match the budget and resubmit the new plans for bids. While they are going through this process, she encouraged them to be forward thinkers and innovators in both design and materials used. She believes this building is urgently needed and would like to see ground broken by the end of the month.

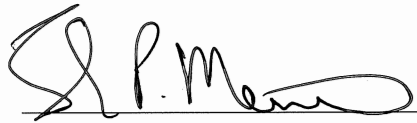

Tracy Brown – Tippecanoe County Sheriff: Sheriff Brown informed the Board that the old air handlers at the jail have been removed, the new have been installed, work continues on the plumbing, and control of the air flow should happen this Friday. The project should be complete in two weeks.

Paul Wright – 4523 S. County Line Road, Westpoint: Mr. Wright expressed frustration with County government's involvement in a solid waste district, effectively acting as a clearing house for the storage and public reuse of 'slightly hazardous' material. The proper disposal is the responsibility of individual users, not government supported by taxpayers who may not even use the service.

Commissioner Murtaugh moved to adjourn.
