

**TIPPECANOE COUNTY COUNCIL MEETING
COUNTY OFFICE BUILDING – TIPPECANOE ROOM
TUESDAY, SEPTEMBER 12, 2017
8:30 A.M.**

The Tippecanoe County Council met Tuesday, September 12, 2017 in the Tippecanoe Room of the County Office Building at 8:30 a.m. Councilmembers present were President John Basham, Vice President Bryan Metzger, Kathy Vernon, Kevin Underwood, David R Williams, Roland Winger, and Vicki Burch. Others present were Auditor Robert A. Plantenga, Attorney Doug Masson, and Recording Secretary Caitlin Thomas.

Pledge of Allegiance

President Basham called the meeting to order and led the Pledge of Allegiance.

Auditor's Financial

Auditor Plantenga reported the county began 2017 with a General Fund cash balance of \$8,632,770.77. With projected misc. revenue, property taxes, the COIT transfer, and deducting circuit breaker credits the total available is \$53,404,949.77. The beginning net balance is \$1,321,654.77. We have approved additional appropriations of \$317,524 so far this year and there is \$111,911 in appropriations to review today. Deducting the miscellaneous revenues and the budget reductions, the total available is \$1,009,739.03.

Under revenues for the General Fund, the tax section has remained largely the same. Charges for Services has nothing unusual. The County Recorder pays the 1st of the month and, in December, they also pay the last day of the month. We would like to get them back to just paying on the 1st of every month. At this time, we have received 60% received of the projected revenue.

The General Fund has a cash balance of almost \$4.5 million dollars, but we do spend more than we take in with the exception of the property tax months. The Court Services Funds have about \$110,000 in total balance for the two funds combined. The Self-Insurance Fund has gained about \$80,000 in the month of August and is up to \$2.8 million dollars in cash balance. Non-River Boat counties get some of the funds generated from the river boats and those funds will soon be distributed to all the different entities in the county.

Treasurer's Report

Treasurer Weston said August was a good month with ending interest revenue of \$118,486.44. The average interest rate was 1.34%, which is where we had been after the recent increases. With the differences between the revenue from bank accounts and investment, we are tracking very similarly to last year. The revolving fund ended August with a positive balance. She has revised budget interest revenue for 2017 to \$620,000. This also reflects what she expects for 2018 and the Auditor has the new numbers for the budget hearings today.
