PUBLIC COMMENT (Agenda Items)

Paul Wright, West Point – asked for clarification on the reduction request of Fund 511, user fees and if that money is going into the adult fund to hire an additional position at the Juvenile Intake Center located at the jail? Auditor Weston stated that this request is not the new full time position discussed at a recent Commissioner's meeting; this is a request for additional part time funding. Councilmember Gutwein said this is for part time positions that are currently filled. Paul Wright stated that when utilizing user fees to fund positions, it is important to have a procedure in place to determine how long the County will subsidize those positions with tax dollars if user fees are not generated.
