Such an employee who, in lieu of providing proof of vaccination, provides a statement from a physician with a license to practice medicine in Indiana under IC 25-22.5 verifying that receipt of a COVID-19 vaccination by the employee is medically contraindicated shall also be entitled to a stipend under this section as if fully vaccinated.

WORK FROM HOME AUTHORIZATION

12. Additionally, as necessary to limit the spread of COVID-19, accommodate quarantine requirements, and maintain the functionality of County government, Department Heads/Elected Officials shall have the discretion to permit employees to work from home rather than from their normal work stations, provided that doing so does not unduly impair the employee's productivity and the Elected Official/Department Head is reasonably able to supervise the employee's work. An employee working from home shall be compensated in the same manner as if the employee was working from the employee's normal work station. This section expires December 31, 2021.
